OYSTER SHELLS

GLASS

FATS, OILS, OR GREASE

TRASH
(No shipping boxes, mulch, dirt, chemicals, wood/wood pallets, twist ties, rubber bands, gloves, produce stickers, metal fixtures or lugs/totes)

Contamination

Please ensure that totes are stored in the assigned area at all times. If you notice contamination in the totes, safely remove it. If there is an abundance of contamination that cannot be removed safely, or if it contains glass or chemicals, contact us immediately at (833)-50-RENEW to arrange a contamination haul.
