

Clemson University – Indefinite Quantity Contract for Traffic Engineering & Related Transportation Services

Project Number: H12-P025-PD

Important Additional Information & Instructions

Project Overview

The Traffic Engineering & Related Transportation Services IDQ is anticipated to include the following professional services: traffic engineering, transportation planning, transit service planning, civil engineering, and related services on a variety of projects on Clemson University properties. Typical work will include traffic impact analyses, traffic safety analyses, transportation and parking master planning, traffic modeling and simulation, traffic calming, bicycle/pedestrian planning, roadway design, trail design, micro-mobility studies, design documentation, and other related work as required.

Two (2) IDQ contracts will be awarded upon conclusion of this selection process.

Additional information for this project will be made available on the Clemson University A/E Selections webpage:

<https://cufacilities.sites.clemson.edu/capital/ae-selections>

The Submittal

Submittals for this project will be electronic only and subject to the instructions listed on the SE-610. In addition to the required Standard Form 330, submit brief but thorough information that will acquaint the selection committee with the qualifications of the proposed A/E team. In accordance with the South Carolina Green Purchasing Initiative, submittals cannot exceed 20 double-sided pages (**for an electronic-only submittal, the limit is 40 pages of content**). The Standard Federal Form 330 is not included in this page count. The electronic file must be in PDF format and be a single file no larger than 10 MB.

Electronic submittals should be sent to Peter M. Knudsen at pknudse@clemson.edu. Please copy Claudia Johnson at cmjhnsn@clemson.edu. If a notice of receipt is not provided within two (2) hours, please reach out to Mr. Knudsen directly at the email above or at 864-844-7020.

***ALL MATERIALS MUST BE SUBMITTED BY THE DEADLINE SHOWN ON THE OFFICIAL ADVERTISEMENT --
THURSDAY, AUGUST 17, 2023 BY 2:00 PM.***

Selection Criteria

This selection of architects and engineers will adhere to State of South Carolina procurement code as detailed in the OSE Manual for Planning and Execution of State Permanent Improvements:

<https://procurement.sc.gov/manual?y=2021#ditem-11607>

Evaluation criteria may be found at the following (OSE Manual – Section 4.4.5):
